Hi Stephanie,

As in my voicemail, I'm sending you EPA's presentation for the 2nd day of the EQC meeting on June 19. EPA's presentation is part of the 1:30pm section following presentations from Gene/Josh and ODFW's.

Tony Barber and John Palmer will be speaking for EPA. I understand that the ppt will be pre-loaded, but we'll bring it on a thumb drive in case. If there's anything else you need, please feel free to let us at EPA know.

Thanks,
Jenny
